

Austro Control Examination Guide

OVERVIEW

Since June 2020 Global Aviation S.A. has been offering the option for all EASA student pilots to participate in the Austro Control examinations at the academy's facilities in Athens-Greece. With this option Global Aviation S.A. is part of the large network of Austro-Control examination centers, thus providing a strong and flexible advantage to its students. The examination center is located in the School's Headquarters, 98 Athinon Av. Athens-Greece.

Registration Process

- » The ATPL(A)-PPL(A) application form can be downloaded from Global Aviation's website: globalaviationsa.com/gr/en/Austro-Control-Examinations/
- » The applicant's information must only be filled-in digitally. Handwritten forms will not be accepted by Austro control.
- » The applicant must choose the subjects for the upcoming sitting and save the application as a .PDF file.
- » Applicants that are not students of Global Aviation S.A. must hand-sign the application form and have the HT/CTKI of their ATO, stamp and sign it also.
- » The signed application document must be scanned and emailed to exams@globalaviationsa.com. Non Global Aviation S.A. applicants must also include a copy of a valid identification document (ID-card or passport).
- » The registration process must be completed before the deadline of the registration period. Applicants can only participate in the upcoming examination sitting.
- » The original stamped and signed form must be brought on the examination day.

After the completion of the registration (All applicants):

- » The applicant will receive a confirmation email with the payment options.
- » Following the payment, a transaction receipt must be emailed to exams@globalaviationsa.com. When the payment is verified the applicant will receive a final confirmation email for their participation in the sitting along with the dates and hours of the examinations.
- » The original copies of the signed application form and the confirmation receipt must be brought to the examination center along with a valid identification document (ID-card or passport) that can prove the applicant's identity.

NOTE: The above process must be repeated before every examination sitting.

Examination Cost

The fees will be listed here below and are per theory exam (per subject each time)

Type of Service	Examination Cost
ATPL(A)	€ 50 per subject / each time
PPL(A)	€ 50 per subject / each time

Important Notes

- » The registration period for an upcoming sitting starts the day after the expiration of the previous sitting and ends 14 days before the first day of the upcoming sitting.
- » All application processes, including payment, must be completed no later than the final deadline. Late applications will not be accepted.
- » Applicants can apply for only the upcoming sitting and not for future sittings.
- » The sitting schedule will follow a strict order of priority. If there is no opening for a specific sitting, the applicant will be informed before payment is commenced.
- » Only applications sent by email are acceptable. Applications by phone or other means will not be considered.
- » The dates and hours of examination cannot be altered by the applicant. The announced schedule is final and requests for rescheduling will not be considered.
- » Applicants can pay via wire transfer, credit card or cash. The bank account details will be sent to the applicant following their registration.
- » Applicants should not proceed to payment before receiving a confirmation email with the payment information, so that the seat availability can be checked first.
- » All payments are non-refundable. Applicants that fail to show up or arrive after the commencement of the examination will lose their payment but will not be considered as having failed the exam.
- » Re-takes of failed subjects at the same sitting are not possible. A new application will have to be submitted for the next sitting.

Austro Control Examination Guide

Regulations & Examination Requirements

Regulations

- >> Participants must arrive to the examination center at least 15 minutes before the start of their sitting.
- >> Participants must provide a valid identification document (ID-card or passport) to prove their identity. The original signed application form and confirmation receipt are also required.
- >> Exams are taken on iPads provided at the examination centre.
- >> Questions are drawn from the whole of ECQB 6 question bank.
- >> The new Jeppesen Manual is in use, PBN is included.
- >> There are no 'quadrant' style questions.
- >> Annexes are viewable on screen and printed copies will be provided if the question requires so.
- >> Results are available instantly. The passing score is 75%.
- >> Participants cannot leave the examination room before their exam is over for any reason. In case of exit during the examination, the exam will be finalized.
- >> Participants who want to appeal a question must do so before the end of the exam. There is no charge for appeals.
- >> The applicant cannot be tested on the same subject twice at the same sitting.
- >> Applicants can attend to a total of 6 sittings within a 18 month period, starting from the first sitting taken. Failing to pass a subject for more than 3 times or if the 14 subjects are not completed within the 18 month period will result in the loss of all successful grades and the repetition of the whole examination process from the beginning.
- >> Copying during examination is strictly prohibited. Rule breaking is subject to Austro Control and EASA regulations.
