\*\*\* Optional SE/IR Skill tests are not included in the above offer.

\*\*\*\* Optional hard-copy Bristol manual/books are not included in the above offer.

## TESTIMONIAL

### Barkas Charalambos // ATP Integrated

Charalambos is currently employed as a First Officer flying the Airbus A320, and he quotes: "For me the experience that I had with Global Aviation was something beyond my expectations. The professionalism and at the same time the personal relationship that I had not only with the flight instructor team but also with the administration was the key to a creative and productive training period. I am privileged that I have been trained by the best Pilot Academy in Greece and I would like to thank you all for your constant support and quality of training that you have offered me during my student life."
