

ICAO-EASA CONVERSION CPL/IR/MEP MODULAR

OVERVIEW

ICAO-EASA Conversion CPL/IR/MEP Modular is a pre-approved reduced training modular training course. The aim of the course is to train an ICAO CPL/IR/MEP holder with EASA ATP theory credit, to the level of proficiency necessary to enable them to operate as co-pilot on multi pilot, multi engine airplanes in commercial air transportation, according to the EASA Part-FCL. Upon successful completion of the course, the pilot will be awarded the EASA Part-FCL CPL/IR/MEP with ATP Theory Credit and Advanced UPRT. The average duration of the course is 2 months.

PRE-ENTRY REQUIREMENTS

- Valid EASA Medical (class 1) Certificate
- Valid ICAO CPL/IR/MEP
- EASA ATPL Theory Certificate
- Minimum of 185 hrs total flight time, including 100 hrs as PIC, of which 50 hrs X-country as PIC
- Minimum of 55 hrs instrument flight time, of which up to 40 hrs in FNPT II
- Minimum of one X-country trip of at least 300 NM with two stops at aerodromes different from the base.
